April 11, 1969. Today I have capied into this boy home extracts from a log of the same voyage, at the N. B. Whating Museum. It is fairly log of the same voyage, at the N. B. Whating Museum. It is fairly legible, sinding v.g., some red sealing-wax marks inside the foot cover. Probably it is the official log, just as this is the finite provide yoursal of Cast.
